Past 1130 Puniwhakau Road, Puniwhakau, Stratford District

Price: Offers Over \$650,000 plus GST

Located at the end of Puniwhakau Road is this idyllic getaway block with options. 137 ha in total with 40 ha of forestry just been harvested means new tracks and access to the back of the block.

The lovely little bach will cater for the weekend getaway and is located at the front of the property and provides a good base for any bush exertions.

The property has the option of replanting or letting it revert back to native over time which would make it a native bush retreat complete with your own bush walks. Pigs and goats abound and will provide some regular hunting opportunities for that boys weekend away.
