

Build Your Vision In A Great Location

40c Mahoe Street, Inglewood, New Plymouth District

Price: Buyer Enquiry Over \$275,000

A flat, 604 square metre section that is close to all amenities, has services at the gate, is private, and has a mountain view sounds like an exceptional property and the title is through. The flat section and available services will make it easier to design and build a home, and at the same time, being close to all amenities means that residents will have easy access to all the necessary services and facilities, such as shops, cafes, schools, and healthcare. Overall, this property is an attractive investment opportunity for anyone looking to build or relocate their dream home being a well-serviced, convenient, and good location. It is rare to find a property that offers both privacy and accessibility to essential amenities, so this could be an excellent opportunity for anyone in the market for a new property.
