The home itself is over two levels and offers four double bedrooms, three upstairs with the master bedroom featuring an ensuite and generous walk-in robe. The additional two double bedrooms share a large walk-through robe and bathroom. A separate toilet adds to the convenience and practicality of the house. Polished timber floors in the main living areas bring a sense of warmth and character to the space.

The modern kitchen is designed to incorporate both functionality and aesthetic appeal. It is brimming with natural light thanks to a strategically placed skylight, creating a bright and airy space that is perfect for culinary creations. These combinations make this kitchen a perfect spot for family and friends to gather.

Downstairs in this house, you'll discover a fantastic additional space that includes an extra double bedroom, an additional toilet and a lounge or games room.
