

## A Home You'd Be Proud To Own

**3 Bianca Crescent, Stratford, Stratford District**

**Price: SOLD**

Only a year ago this attractive brick and lineal board home was designed and created by award winning builder's Landmark homes. There's now an amazing opportunity to move into this extremely popular and well established Stratford subdivision and live peacefully among great neighbours.

Offering everything you would want for easy, modern day family living this sleek and stylish home boasts open plan living, three double bedrooms (master with ensuite and walk in wardrobe) spacious family bathroom, double garage (with attic storage) and all the bells and whistles throughout that you'd expect when buying a near new home.

Entertaining is also made super easy and enjoyable here with the bonus of a north and west facing covered patio area offering seamless indoor/outdoor flow allowing you to enjoy entertaining whatever the weather and with a view over neighbouring paddocks you really have the best of everything.

Surely a home of this calibre and in such a sought after area will tick many boxes so don't delay give us a call as I'd love to discuss this option further with you.
