

Build Right On Ross!

Lot 1 Ross Road, Tariki, New Plymouth District

Price: \$360,000

Are you looking to keep your building costs down while getting the most out of a rural section? Choosing a large flat section such as 1.3023ha (just over 3 acres) on the corner of Ross and Tariki Roads at Tariki could be just what you are looking for. Keep the earthworks to a minimum, so much easier to plan your land use. No waste areas here.

What do you get?

Power on the boundary.

A well fenced section to stock proof standard with two road gate entrances.

A stunningly beautiful mountain view. Imagine watching the sunsets on your deck, watching the moon rising in the evening and those amazingly clear night skies full of stars because there is no light pollution here. No need to leave New Zealand, you don't even have to leave home, you can watch the next geomagnetic storm (Aurora Australis) on your doorstep.

This is a generous section - space for animals to graze, a home, an orchard and vegetable garden as well as that massive you have always dreamed of, Ross Road is a must see.
