

Great Home. Dairy Or Drystock!

226 Mana Road, Inglewood, New Plymouth District

Price: SOLD

Buy your first dairy farm or use as dry stock/grazing property! Situated at 226 Mana Road in the productive farming area of Rataipiko, give serious consideration to this 44.79ha (single title) property. There is a 14 aside herringbone milking shed, multiple calf rearing sheds and multiple storage sheds around the block. The farm is currently milking 98 cows (7 rows), and is on target for 40,000 kgMS in the 21/22 season.

The lovely warm three bedroom + rumpus room house has been fully renovated; the farm is in close proximity to Rataipiko School making it the ideal property for a young family. If you love jet skis or water skiing, Lake Rataipiko is just around the corner. The farm is a mixture of flat land, rolling country and steeper areas, most paddocks can be accessed from a race. Water is drawn from a reliable spring and pumped to all paddocks.

This property is well worth considering, give me a call to make a time to view.
