409 Korito Road, Korito, New Plymouth District

Price: SOLD

Here is a rare opportunity to buy 24.53 hectares nestled under the mountain and looking over New Plymouth City, out to sea... amazing views. Yes, it is cooler up here, the air is cleaner and it is quiet. There is beautiful mature native bush, a couple of mountain-fed streams that create your own 'meeting of the waters', and plenty of easy contoured grazing land. Currently, the land is grazed by neighbouring young stock. If you want to be closer to New Plymouth but still farming, this property could suit you. One hay shed, a ranch style shed and a double carport are handy additions to this high altitude property. Water is pumped from a bore. Call Linda for a time to view.
