

Ngaere Dairy Farm

436-448 Cheal Road, Ngaere, Stratford District

Price: SOLD

This well appointed Ngaere dairy farm is located on the Cheal Road within five kilometers of the Ngaere School.

Being approximately 72.58 hectares (184 acres) in size, this farm is averaging milk production of 70,000 kgMS.

Effluent is dual consented and a tidy 20 bale rotary cowshed with ACR's complements this farm. Pastures are in great order with the farm being regularly fertilised. The balance of farm buildings are in tidy condition and there is a tidy homestead with established gardens. The farm is centrally raced which allows for minimal walking times.

This very well located dairy farm will impress and tick all your boxes.

Note: The drone footage attached to the website, was taken prior to the pine tree removal and gives a general overview of the farm, however significant improvements have taken place since this was taken.
